Chairman's Welcome

Dear Members, Exhibitors, Handlers and Friends

The Cape Rottweiler Club is proud to host its 18th Annual Breed Championship Show together with the Western Province Regional Sieger Show this year. We extend a warm welcome to all our friends and supporters whom we have come to know over the club's 19 years of existence. Cape Town has been especially fortunate to see a growing number of new Rottweiler enthusiasts who are becoming deeply passionate about the breed. This bodes well for the future care, development, and preservation of the Rottweiler.

A sincere thank you is extended to our trusted CRC committee, all of whom have worked together for several years and remain dedicated to upholding the club's strong reputation as a dog training club, a dog sport club and a breed club. We also gratefully acknowledge our loyal supporters and exhibitors who have consistently supported our breed shows over the years. I would like to take this opportunity to invite anyone who feels they can contribute to the club to consider serving on the committee, in any capacity—large or small.

Once again, the CRC is privileged to welcome Mr Barron Africa as the judge of our Regional Sieger Show this weekend. Mr Africa is no stranger to the Cape Rottweiler Club. He is a founding member of the CRC, currently serves as Vice Chairman of the Rottweiler Breed Council of KUSA, and is Chairman of our sister club, the Western Province Rottweiler Club. He has judged numerous championship shows both locally and internationally and is a strong advocate for the complete Rottweiler—one that combines sound structure with a stable temperament and a willingness to work and please its handler. We trust that you will enjoy spending time with Mr Africa over the weekend.

We are also pleased to once again partner with Lionel's Choice as our main sponsor for 2026. This locally produced dog food brand is available nationally. Our heartfelt thanks go to Dirk van der Merwe and the Lionel's Choice Comprehensive Pet Care Range for their generous sponsorship. We look forward to a long and successful partnership. The CRC highly recommends this food, and anyone interested in purchasing it through the club is welcome to contact myself or any committee member.

In addition, the CRC will be hosting the IGP Meisterschaft National Working Trial this year, taking place on 21, 22, and 23 May 2026. The trial advert is in catalogue. We encourage exhibitors and enthusiasts with an interest in dog sport to attend. Competing dogs will demonstrate their working ability through scent tracking, obedience, and protection phases. One of our committee members, Yusri, will be competing with his German Shepherd, Koda. We encourage everyone to support this event as it showcases the exceptional trainability of working dogs, and we hope to see Rottweilers competing in future events.

To all breeders and exhibitors, this is the moment when your dedication and hard work take centre stage. Enjoy the day in the company of friends, and we wish everyone the very best of luck. Cape Town exhibitors are renowned for their excellent sportsmanship—please continue to uphold this valued reputation. Thank you.

Barron Africa

Cape Town (South Africa)

I was born on 23 June 1973 in Cape Town, and fortunate to live most of my life in this amazing city.

I am a CA(SA) chartered accountant by profession, and have been in the asset management industry for most of my career, my previous position was Chief Operating Officer for Futuregrowth Asset Management (part of the Old Mutual group).

I have had an intense love for dogs from a very early age, but I managed to get my first Rottweiler puppy in 1989. I am competitive & passionate about everything I do, and soon found myself researching the breed. My journey led me to Chris Pretorius, which I still regard as one of my mentors. I acquired my first breeding Rottweiler female from Chris, Lübecker Asha of Legion (which I competed with in both breed ring as well as ZTP, APT, IPO/IGP and tracking). For my first litter drove all the way for Gauteng (1500km) to secure

the best stud at the time; and my A litter was born in 2004. A few years later, I really pioneered the importation of frozen semen and artificial insemination for Rottweilers in South Africa, by importing semen from Benno van het Falconsnest (a Cliff vd Konigskanzel son and Balou vom Silberblick grandson). This litter was produced from importing just a single straw and produced 7 puppies, of which two dogs achieved an SA Youth Sieger and SA Youth Siegerin, and a 3rd dog from this litter was awarded the SA Sieger title on two occasions. One of my best show results was in 2012, when my dogs and breeding won 3 out of the 5 SA national Sieger titles. I have remained active in the breed show ring with multiple BOB and Sieger titles, and in 2022 again achieved SA Youth Siegerin. I have continued importing frozen semen from multiple top international studs, which include, Arzadon Tayson, Balou vd Maxi Rott, Lex vom Hause Edelstein, Vikko Della Val Di Noto, TK's New Yorker and Rio Del Colle Canino. These days my dog breeding program is very limited, and we only have 2 Rottweilers. I spend most of my time with my family as well as my other passion, fishing!

I started my judging training in 2009, and in 2017 qualified to judge the working group as well as a Rottweiler specialist (grade and critique Rottweiler shows, including breed assessments and ZTP). I have also been an IPO/IGP Helper since 2008. At the same time I commenced my IGP judging, for which I can currently judge IGP 1. I also qualified as an Aptitude (dog mental test) judge in 2019.

I joined the Western Province Rottweiler Club in 2001 and have served as the club chairman from 2006 until now (with the exception of 2011-2014, when I worked outside of Cape Town). I was also a founding member of the Cape Rottweiler Club. I have served on the national Rottweiler Breed Council (RBC) since 2007 in various portfolios, and currently serve as the RBC Vice Chairman as well as the Breed Convenor. This is our Rottweiler specialist governing body, and custodian of breed rules, standards and a sub-committee of KUSA. I managed the SA Sieger show 2021 some video footage of our show on Western Province Rottweiler club Facebook page. Our club again hosted the 2025 SA Sieger shows, which was deemed to have been one of the best ever events in SA. I have judged the working group, Rottweiler specialist shows, Dobermann specialist shows, Aptitude tests, Breed Assessments and ZTP's including multiple Regional Sieger shows in South Africa, Rottweiler Club of New South Wales – Oct 2022 (Sydney Australia), and the Nigerian Rottweiler Breeder Soc Sieger Show in June 2024

I love the complete Rottweiler, so will always be looking for a dog that not only looks the part, but shows the working temperament, and ability to drive in movement. If you listen closely to my critiques, you will quickly know when a dog gets my attention.

I look forward to meeting you and your dogs in the ring!
